

Organic Gardening Seminar

Saturday, March 14; 9am to noon
Tulsa Community College Northeast Campus
3727 East Apache

This year let the ladybugs do the work. Forget the pesticides and fungicides: grow organically. Learn techniques and advantages of organic gardening.

9:00am – 9:30am	Registration
9:30am – 10:15am	“Why Grow Organic?” with Sue Gray
10:20am – 10:55am	“Black Gold” (Composting)
11:05am- 11:30am	“Butterfly Gardening” with Carol Eames
11:40am- 12:00pm	Discussion of Community Gardens

If there is any question as to whether the seminar might be cancelled due to weather, notice will be posted at www.tulsacga.org
